

# October 2016

**Evening:** The Brighton Savoy Hotel (new venue) on Tuesday 18th of October at 6:30pm, the Guest Speakers will be Dr Shane Oliver & Kajanga Kulatunga

## **Venue:**

Brighton Savoy  
Seaview Room  
150 Esplanade, Brighton VIC 3186

## **Speakers:**

### **Shane Oliver, PhD, BA (Hons) (Economics), ASIA**

*Head of Investment Strategy & Chief Economist*

Shane Oliver joined AMP in 1984, becoming Chief Economist in 1994 and is now Chief Economist and Head of Investment Strategy.

He has extensive experience analysing economic and investment cycles and analyses the changing return potential for different asset classes such as shares, bonds, property and infrastructure.

Mr. Oliver is a regular media commentator on economic and investment market issues and engages regularly with investors at public events and forums.

### **Kajanga Kulatunga – Portfolio Specialist**

*NAB Asset Management*

In addition to his formal role as an Investment Portfolio Specialist, Kajanga has completed studies in behavioural economics at both Massachusetts Institute of Technology and Harvard University in Boston.

His current research interests include; cognitive decline and investment decisions, unintended consequences of policy changes in retirement saving behaviour and behavioural investment profiling. We have asked him to speak on these issues during our seminar.

# October 2016

**Morning:** The Gables Malvern on Wednesday 26th of October at 10:30am, the Guest Speakers will be Jeff Rogers & Kajanga Kulatunga

**Venue:**

The Gables  
15 Finch Street, Malvern Vic

**Jeff Rogers, BSc**

*Chief Investment Officer, ipac Investment Management & Head of Investment Solutions, Retail*

Jeff Rogers joined AMP Capital in 2011 from ipac securities, following its acquisition by AMP Ltd, and is responsible for driving investment outcomes for AMP's retail investors.

He has extensive experience in investment management, spanning well over 20 years.

**Kajanga Kulatunga – Portfolio Specialist**

*NAB Asset Management*

In addition to his formal role as an Investment Portfolio Specialist, Kajanga has completed studies in behavioural economics at both Massachusetts Institute of Technology and Harvard University in Boston.

His current research interests include; cognitive decline and investment decisions, unintended consequences of policy changes in retirement saving behaviour and behavioural investment profiling. We have asked him to speak on these issues at our seminar.
